

WCG Is the 11th Best Workplace in the Nation!

For Release: April 23, 2007

WCG International HR Solutions is being recognized in *Canadian Business* magazine as one of the “Best Workplaces in Canada” for 2007. This and related stories appear in the April 23rd issue of *Canadian Business* magazine, available on newsstands and at <http://www.canadianbusiness.com>.

WCG is fully committed to creating an environment that encourages every team member to achieve their personal and professional best on a daily basis. Promoting wellness rooted in a work-life balance is vital to our ongoing success as an employer and as an award-winning service provider.

“At WCG, our team is without a doubt our most important asset. The passion and dedication that every member of this company brings to changing the lives of our clients are the very heart of WCG. Being acknowledged as one of the best workplaces in the nation is an honour and a testament to our remarkable team,” says Ian Ferguson, President and CEO.

This list of “Best Workplaces in Canada” is compiled for *Canadian Business* magazine by Great Place to Work[®] Institute Canada. The competition process is based on two criteria: two-thirds of the total score comes from a 57-statement survey completed by a random selection of employees, along with their open-ended comments about their organization; the remaining one-third of the score comes from an in-depth review of the organization’s culture, including an evaluation of HR policies and procedures. This offers a rigorous representation of the organization from an employee perspective, and an overall portrait of the workplace culture. Together, they provide crucial data relative to the five trust-building dimensions of a great place to work[®]: credibility, respect, fairness, pride, and camaraderie.

More than 20,000 employees participated in the 2007 “Best Workplaces in Canada” survey.
